

# n Pass

no paper 1.0

by 'unflake

∅ Pass is the check

FK∅ is the amount

∅ NFTs are the signature

No one knows why it came to be,  
But the captain claims it's the boarding key.  
No matter the price, nor the graph turn  
No matter the pump or the dump run

Our plan is grand, something new and bold,  
But just for those that still hold.  
You own the F~~K~~~~m~~ keys and the NFTs we need,  
But with the boarding pass, we must all coincide.

Tokens are important, a hundred or two,  
But without the pass, you'll be left askew.  
Don't be fooled by what seems cheap,  
The last laugh might be the one that's steep.

The market pressure and the FUD.  
The price is not where it belongs.  
Is not the time to worry about,  
The time will come before after~~m~~ath

The impatient have sold in a hurry,  
But now it's time to hold and not worry.  
We've taken the "soon" road to clean,  
What doesn't belong in our ship

We've said it before, it's always been for the longing,  
Only the trill ones on board to the other side, belonging.  
We're crypto pirates, with no rules to bind,  
Sailing blockchains, looting all treasures we find.

Last time, the biggest collection and many SOL,  
Put us in the spotlight and we managed to run.  
Hide and seek they call it, now the big thing is coming,

That new ship, the "unflake" it's called,  
We've been producing a secret gold  
Those accumulating will travel with us,  
Those left behind will regret the fuss.

Pirate, welcome to the tribe! we told,  
But what you didn't know,  
Is that the ~~m~~ will go big as fuck....
